***All prices subject to change**

Answers to your Frequently Asked Questions

- ❖ *Will my wedding be the only event that day?* Saratoga Springs is a multi-event venue! **We will likely have another wedding and/or party taking place during your time slot.** We have parking attendants directing your guests where to park (we have plenty of parking!) and staff directing your guests to walk toward/enter the correct venue.
- ❖ *Can I bring my own DJ or band?* Because we hold multiple events at once and because the Saratoga, CA sound ordinance is quite strict – **you are required to book one of 5 approved awesome DJs for your event if you want amplified music.** This way, we can assist with governing the sound and you get to work with a DJ that works with us all the time! All of the DJs on our list are the same price of \$1495 and include planning, MC, microphone, top-notch equipment, and ceremony/reception music.
- ❖ *What should I do if I can't decide which venue to choose?* **You have the option to take pictures in them all!** There is an allotted time slot we will provide where the Redwood Grove or Longbridge couple can take photos in Cathedral, and the Cathedral couple can take photos in Redwood Grove or Longbridge! 😊
- ❖ *How does setup & takedown work?* **We allow 90 minutes prior to ceremony for setup, and 30 minutes after your event for breakdown.** All items that you rent via Saratoga Springs include our labor for setup/cleanup. Items that we do not provide (i.e. flowers, dessert) do not include our labor, but you are welcome to hire our staff to assist, at a cost of \$40 per staff member 😊
- ❖ *Can I have items delivered before my wedding day or pick them up after my wedding day?* Anything left behind is discarded as we have to prep the areas for events the next morning. **Items may not be stored here prior to the wedding.**
- ❖ *How do you handle rehearsals?* Rehearsals are included at no extra charge on a space available basis and usually run ~30 minutes. We typically hold our rehearsals mid-week on the Tuesday, Wednesday, or Thursday evening before your wedding. We will help facilitate the rehearsal, and walk everyone through their paces/choreography and there is no charge for that! **We are not able to lock down your rehearsal day/time until one month prior to your wedding.**
We offer day time events (10-3) and then night time events (5:00-10:00) every day of the week ...so we need to see how the calendar fills up, and then offer our wedding couples the slots that are available around and in between :)
- ❖ *How's the cell phone service?* Verizon is actually the only carrier that gets full service out here in the redwoods! **We do offer free wifi (with no password) that your guests can connect to & call ubers/lyfts.** And yes! Please do not drink and drive – you may leave your car here overnight, and pick it up by 9am the following morning.

- ❖ *What are the table measurements?* In Longbridge and Cathedral Grove, our tables are 12 feet long and 29" wide. They each comfortably seat 8-12 guests. In Redwood Grove, our tables are 16 feet long and 29" wide and they comfortably seat 12-16 guests.
- ❖ *Do you have any guidelines for a shuttle service or limousine service?* If you and/or your wedding party are arriving together in a ride service, we recommend a town car or 12-passenger van over stretch limos or larger busses as these smaller vehicles will be able to get you right to the front gate rather than dropping you off in the upper parking lot.
